## NARRATIVE

After investigating the collision, I concluded from drivers witnesses and evidence at scene the following: Unit #2 was eastbound on 20th ST NE. Unit #1 was eastbound 20th ST NE behind Unit #2. Witness was eastbound 20 ST NE behind Unit #1. This is a two way undivided no passing section of road. Unit #2 stopped to make a left turn, northbound onto Cedar Rd. Unit #1 stopped behind Unit #2. Witness stopped behind Unit #1. As Unit #2 began to make its left turn onto Cedar Rd, Unit #1 attempted to quickly pass Unit #2 on the left in the no passing zone at a fast speed. As Unit #1 came along side of Unit #2, Unit #2 impacted with Unit #1.

Driver Unit #2 is operating on an Instructional permit with a license adult in the vehicle. Driver #2 stated he stopped and used a left turn signal to turn left. As he made the turn, he hit Unit #1 as it tried to pass him. Passenger of Unit #2 says the same as driver, however, can not confirm the turn signal was left or right, but told driver to use left turn signal..

Driver Unit #1 says Unit #2 stopped in roadway with its right turn signal on and did not turn. Unit #1 said he was in a hurry to arrive at Aqua Fest and had to assit setting things up. He looked and saw no oncoming traffic coming westbound, so he decided to pass to head downtown. When I pointed out the no passing zone, he stated he was aware of this but Unit #2 was not moving.

Witness stated he saw Unit #2 and Unit #1 stop. Witness stated she assumed Unit #2 was going to make a left onto Cedar Rd, but could not see turn signals for she was behind Unit #1. Witness states Unit #2 was stopped for only a couple seconds before making its left hand turn onto Cedar. Witness says she observed Unit #1 quickly and sharply begin to pass Unit #2 as it was making its turn. She noticed the road is a no passing zone and feared a collision would result. She then saw Unit #2 impact with Unit #1.

Driving toward Lake Stevens on 20th st following a car that had right turn signal on, stopped line, the driver was confused in front of Cedar rd turn. I thought they were turning into a driveway but suddenly turned left into the way of my truck as I passed them slowly in the wrong lane. The cars rubbed at a very slow speed with none no real damage to my truck.
